Howard Foot Ball Team.

The Howard foot ball team has been making a brilliant record this year. Victories have come in succession from the Athletic Club of Annapolis, the The High School team and Storer College. These games were all hotly contested with the Howard boys displaying fine tactics and discipline, gaining thereby victories over all opponents. The last game in which Messrs. Jackson, Holmes and Young made clever plays and dashes was an event certifying Howard's strength. The plunges down field and breeches made in the Storer boys' evoked hearty applause from bystanders. In fact, the University has a representative team capable of maintaining the long record of victories heretofore achieved. This may

be seen from the game last Saturday which resulted in a triumphant victory for our boys—48 to 0—rah! rah! rah!

Every energy is being put forth, both in practice and pet plays, to make the game Thanksgiving Day between the formidable team of the Virginia Union University and Howard's, the event of the season. The Virginia boys will come with a large crowd and a tumult of enthusiasm. The spirit for supremacy will be keen. Washington will have a chance to witness thrilling if not brilliant plays on Howard's campus where the game will begin at 2 o'clock. The boys are in perfect form practicing every day under the Messrs. Cooks. No pains are being spared to win the game and bring to Howard the championship of the South.

POST ELECTION JOLLIFICATIONS.

A Musical Genius.—Rare and Racy Doings In and About the Windy City.

[The Chicago Office of The Colored American is located at 59 Dearborn St., suite 412.]

Chicago, Ill., Special.—By the way of jollification, the Republican clubs of this city, united themselves into one body and gave a banquet in honor of the recent Republican victory, at Arlington Hall, on last Thursday night. The hall which is located in a very convenient part of the city was beautifully decorated with elegant palms and incandescents lights. The banquet table was decorated with chrysanthemums. Arman's popular orchestra discoursed inviting strains of music throughout the entire evening. Mr. F. L. Barnett represented the National Bureau, while Capt. Jordan Charvis made an excellent and detailed report of the work done at the State headquarters of which he was chairman. Other addresses were made by Dr. J. H. Magee, Senator T. T. Allain, Mr. Staten, and others. Mr. Laing Williams squitted himself very creditably as chairman of the evening. Mr. Rivers made a touching address in which he very feelingly spoke of the defeat of Daniel Jackson for whom he worked very hard. Mr. Frank Wheaton, of Minn., gave a splendid talk in which he reviewed the campaign from beginning to end, and in closing presented Mr. Barnett with a gold watch in behalf of T. Thos. Fortune, Dr. Bryant, J. Madison Vance, Hon. Frank H. Wheaton, and others who were employed as speakers by the National Bureau. Dr. Carrie Golden, President of the Colored Woman's Republican Club, received many compliments from her excellent work in behalf of the campaign.

Messrs. Cole and Johnson are playing to large houses at the Alhambra this city this week.

Thanksgiving dinner will be served at Quinn Chapel all day. There will be edibles and delicacies in abundance. Let all who can, come out and make this dinner a financial success.

Mr. Arthur Shaw, a young musical genius, is at work on the composition of a musical farce of three acts. This farce will contain 23 original numbers, rich, rare and musical. As yet, he has formed no suitable name but we are sure that it will be something as delightfully new as the farce itself. Mr. Shaw is a young man 22 years of age, and enterprising in the extreme. He has charge of a musical bureau from which all sorts of musical talent can be obtained.

Mrs. L. Davis President of the Phyllis Wheatley Woman's Club made a pleasant call at the Chicago office of The Colored American and emphatically stated her opinion that The Colored American is the best Negro journal published. She said The Colored American was not afraid to publish the people's news, and that the news is fresh every week. Mrs. Davis extended a hearty invitation to the Management of the Chicago office of The Colored American to address the Club in the interest of the paper on Dec. 5th, which was accepted.

Colored club women are arriving in the city, as delegates to the State Convention. The ladies active in club work feel very fortunate in having Mrs. Mary Church Terrell in the city just at this time. Mrs. Terrell delivers a lecture at the church Friday night and the Convention will be in session Wednesday and Thursday. Mrs. Jeffrey of Rochester, N. Y., and Mrs. Lucy Thur-

man, president of Michigan State Federation, will arrive today.

Again the attention of the civilized world is directed to another terrible lynching. This occurred in Lincoln, Col. near Denver. This barbarous act ranks second to one—the Texas lynching that was perpetrated some four years ago. When a northern state will take part in such mob law it enables the South to point the finger of scorn at the North when the first effort to upbraid them as to their continued mistreatment. At a meeting held yesterday at the First Methodist church this city, the minister of the church (white) passed a resolution censuring the Governor of Colorado, the sheriff and citizens of Limon who composed the mob, and resolved to call the attention of the President in his next message to the 2,000 persons put to death by mobs in the last ten years, and urge him to recommend to Congress suitable legislation which shall secure to every persons accused of crime, a fair trial, and hold criminally liable, all persons constituting mobs to torture, murder and burn. This is a grand and noble resolution; let us hope that it will be attended by success.
